### “GC TALKS” Discussions Via ZOOM Based on Powerful TED Videos

We are announcing a new format for our traditional discussion group during the covid crisis.

TED talks are engaging 18-minute videos on a variety of interesting subjects. Thanks to Andrea Anthony who will act as coordinator. Here's how it will work:

- GC will send out an eblast with a link for TED Talks. You can view the video on a

computer or smartphone. You must see the video before the Zoom meeting.

- If you are interested in the video, email Andrea to sign up for the Zoom meeting. Meetings will be at 4:00 pm on Fridays in March, starting with March 5. Spots will be first-come, first-served.
- If you are accepted, Andrea Anthony will send you a Zoom link which you will click on to get to the meeting. Please try to get on at 3:50 pm because it takes awhile to get everyone in the meeting. Meetings will start with short hellos and then discussion for a total of 40 minutes.

### Valentine's Day at the Crabshell Restaurant, Stamford

Twelve people celebrated Valentine's Day in fine fashion while taking in that fabulous view. Thanks to all who helped organize. And where was cupid? There in spirit we hope!!

## Get That Shot!

The Greenwich Club strongly encourages all members to get their COVID shot at their earliest convenience to protect yourself and your fellow GC members. As we look ahead to resuming in person activities we want to present a safe environment for all!! The technology of sign up and the wait are daunting but get the shot and join the immunized herd!

### GC WALKS

**Lew Clark** led a lively group on a stroll through the new SoNo Collection Mall in Norwalk. Participants browsed the stores and enjoyed the camaraderie. GC walks may continue in the Spring as weather and COVID conditions permit.
