BOARD CORNER

We're thankfully officially out of the pandemic, according to Dr. Fauci, but due to ongoing COVID concerns for many members, the attendance at our Wednesday meetings at the church and Monday night dinners has dwindled.

It has been decided that we will hold a final Wednesday social for the season in the Christ Church library on May 4 celebrating Cinco de Mayo and a TED Talk on May 18, then will halt regular Wednesday meetings at the church until we kick off the fall on September 14.

We will continue to offer special events, dining adventures, and happy hour gatherings instead. Monday night dinners are to be held at Zody's on the 2nd and 4th Monday of each month.

Thanks to Maryellen Vassallo for all of her contributions to Greenwich Club as treasurer, president, co-president and initiator of many delightful events. We wish her well as she moves to North Carolina.

In the uncertainty brought on by COVID we want to learn how to best serve membership & friends. We are responding by changing to two Monday night dinners each month and revisiting the types of Wednesday night programs offered. However we want to hear from you! What types of programs do you want, and what will you attend?

Our 2022 membership drive continues. If you have not yet rejoined for this year please send your membership dues if you wish to attend the Riverside Yacht Club members-only cocktail party on June 22.

By rejoining you also will continue to receive newsletters and email notices.

.....

Members came together on April 27 to hear varied Coming to America stories, with thanks to AK, Gillian, Andy, Renata and Diane for sharing their experiences.
